

This pilgrim's path takes us into its spell and it leads us through a stunning and magnificent landscape

Our bicycle adventure starts in Santander, 'The Ocean's Bride', along St. James' Way. Already on the first few meters we can feel the soothing energy of the "Camino", on which pilgrims have been drawing strength for centuries, while we get enchanted by Cantabria and Asturias with its mix of sea and mountains.

We cycle on into the highlands of the northern Meseta and are impressed by the pilgrimage hubs of Burgos and Leon. Their cathedrals rank among the most beautiful ones in Spain. The green landscapes of Galicia and Santiago de Compostela herald the end of St. James' Way and our tour. We will remember the impressions we gained on our way forever!

to explore the forests, meadows, eagles and the
hoopoes. We will start today's trip cycling uphill
to then enjoy the ride down towards the reservoir
lake Riano, which is nestled right in between the
mountains.

 **5:** Santa Colomba de las Arrimadas - León
Adios Picos de Europa! We will cross the
western edge of Meseta with its endless
distance and rolling hills, towards León. The
royal city of León in the High Plain of Castile
welcomes us. Its colorful streets are filled with life
and provincial charm. It is now time to explore
the huge variety of the Castilian culinary delights,
such as Iberian pork, sausages, chestnuts and
not to forget the delicious wine from Bierzo. We
have plenty of time to discover León and to relax
in our hotel.

 **6:** León - Villafranca del Bierzo
We will leave the royal town behind us and travel
by bus to the ancient Roman city Astorga. We
invite you to visit the episcopal palace and
cathedral built by the Catalan architect Antonio
Gaudí. Astorga is also known for its sweet treats
and chocolate, such as mantecadas and
hojaladres, which are best enjoyed with a cafe
con leche. From here we explore a variety of
ancient little villages along Cruz de Ferra and the
Templar castles in Ponferrada. Our destination
today is the beautiful city of Villafranca.

 **7:** Villafranca del Bierzo - Sarria
It's getting exciting: We are approaching
Santiago de Compostela. The last part of the
path will lead us through a breath-taking
mountain landscape. The ancient little mountain
village of O Cebreiro is on the way, where
pilgrims used to recover with a tasty cabbage
soup. We will continue our journey through this
fantastic mountain landscape, passing by
Triacastela. These 3 castles protected the old
pilgrimage route.

 **8:** Sarria - Melide
The green Galicia! We travel on through tiny
villages, rolling hills, forests and meadows. The
old Portomarin is located in the valley Rio Mino.
From here we are only 90 km away from
Santiago.

 **9:** Melide - Santiago de Compostela
The countdown is on. Lavacolla is the last stop
before Santiago. Pilgrims in the Middle Ages
used to clean themselves in the local river with
the same name before their journey to the town.
Eventually, the time has come: We reach
Santiago – squares, countless churches and
monasteries, old mansions and a quirky, lively
nightlife create an impressive work of art. Our
last hotel is a dream come true! Of course we
will visit the 1000 year old cathedral, a dream
come true, maybe one or the other will find their
way to Cabo Finisterre.

 **10:**  Santiago de Compostela
Let's enjoy our final breakfast together and then
set off on our journey homeward.
